# CEC'S C-RO

A close-up of the purple Zeta Gundam's head and upper torso, showing its cockpit and mechanical details. The image is framed by a red border.

A purple and black robot, likely a Zeta Gundam model, is shown in a dynamic flying pose against a blue background. The robot has a large, angular head with a cockpit, a long, thin torso, and large, articulated arms and legs. The text '飛行ポーズもとれるぞ!' (You can also do a flying pose!) is written in red at the top right, and 'アーティスプレイスタンドつき' (Artis Stand included) and 'グオオオ!' (Goo Goo!) are written vertically on the left side of the robot's torso. A yellow speech bubble on the left contains the text: 'アーティスプレイスタンドの接続は、自由度の高いホール' (The connection of the Artis Stand is a high-degree-of-freedom hole) and 'ント。好きなポーズで飾ってくれい!(背景カードつき)' (You can decorate it in any pose you like! (Background card included)).
